EX PARTE APPLICATION TO CONTINUE CASE MANAGEMENT CONFERENCE AND [PROPOSED] ORDER case no. 3:08-cv-01192-WHA #37894 v1

Plaintiffs respectfully request that the Court continue the case management conference currently set for June 5, 2008 at 3:00 p.m. to September 4, 2008. As set forth in greater detail below, Plaintiffs have not yet discovered the true identity of the Doe defendant in this case because they are awaiting a response to their subpoena that was served on the Doe defendant's Internet Service Provider ("ISP") requesting Defendant's identifying information.

- 1. Plaintiffs have not requested any previous continuances of the case management conference in this matter.
- 2. Plaintiffs filed the Complaint for Copyright Infringement against Defendant John Doe ("Defendant") on February 28, 2008. Plaintiffs did not have sufficient identifying information to name the defendant in the Complaint, but were able to identify Defendant by the Internet Protocol address assigned by Defendant's Internet Service Provider ("ISP"). In order to determine Defendant's true identity, Plaintiffs filed their *Ex Parte* Application for Leave to Take Immediate Discovery on February 28, 2008, seeking the Court's permission to serve a Rule 45 subpoena on the ISP. The Court entered an Order for Leave to Take Immediate Discovery on March 5, 2008, granting Plaintiffs' request to serve a Rule 45 subpoena on the ISP seeking identifying information including Defendant's true name, address, telephone number, e-mail address, and Media Access Control address.
- 3. Plaintiffs served their subpoena on the ISP on March 27, 2008. The original deadline for the ISP to respond to Plaintiffs' subpoena was April 30, 2008. The ISP has twice requested additional time to respond to the subpoena, and both times Plaintiffs have agreed. The response deadline is currently May 29, 2008.
- 4. Once the Defendant is identified, Plaintiffs will give Defendant written notice of their claim and attempt to contact Defendant and resolve the dispute. If the dispute cannot be resolved, Plaintiffs plan to file a First Amended Complaint naming Defendant individually and then proceed to serve process upon him or her.
- 5. Plaintiffs anticipate that a continuance of at least 90 days will be necessary to complete the early discovery process aimed at determining John Doe's true identity, attempt resolution of the dispute, and if necessary amend the complaint to name the defendant

1	individually, serve process on him or her, and for Defendant to file an answer prior to the case		
2	management conference. Unlike a traditional case in which the identity of the defendant is known		
3	and efforts to resolve the dispute can begin prior to filing the suit (and efforts to effect service of		
4	process can begin immediately thereafter), in this case Plaintiffs first needed to file a John Doe		
5	lawsuit and attempt to obtain the Doe defendant's true identity through a subpoena to the ISP, a		
6	process which is not yet complete.		
7	6. Given the foregoing circumstances, and because there is not yet a known defendant		
8	with whom to confer, a case management conference is unnecessary at this time. Plaintiffs therefore		
9	respectfully request that the Court continue the case management conference currently set for June 5,		
10	2008 at 3:00 p.m. to September 4, 2008.
